This scholarship fund is in memory of Carson L. Starkey, a third generation graduate of S.F. Austin High School (2008). Carson looked at the world around him and saw limitless possibilities. His gifts were many; he was an accomplished student, cyclist, runner, tennis player, lacrosse player, outdoorsman, and activist. His most enduring trait was his uncanny sense of when others were in need and the ease in which he cared for them. The purpose of this fund is to help S.F. Austin High School graduating seniors with a GPA of 3.0 or higher to attend the college of their choice. An annual scholarship will be awarded to those who, like Carson, are engaged in the world around them.
