HOW IT WORKS

- Austin Community Foundation is a tax-exempt organization under 501(c)(3) of the IRS code; that means funds given to the Foundation or its funds are immediately tax deductible to the extent allowable by law.
- A Donor Advised Fund, our most popular option, allows you to receive an immediate charitable tax deduction and then take the time you need to decide what nonprofit organizations will receive your gift or gifts.
- You can donate complex gifts including publicly traded (or closely held) securities, business interests, oil/gas/mineral/timber rights, real estate, life insurance, gifts through wills and retirement plan assets.
- We can also structure charitable options, like a supporting organization, that allow for the donation of business holdings and the ability to hire staff.
