KEYHOLDER20

January 30, 2020

The Long Center for the Performing Arts

Time Commitment / 4:00 – 8:30 PM

Up to 10 Employee Volunteers max

Engage your employees around women's issues, lend a helping hand, and stay to be part of the inspiring event! Volunteers will act as Greeters, Ushers, and work the check-in table for Keyholder, the Women's Fund's signature event. Volunteers should plan on arriving at the Long Center a little before the scheduled time above. You will meet the Foundation's staff in the lobby of the Long Center for a brief orientation.

Event attire is business cocktail, though your employees may wear a company shirt and/or nametags if desired. Rackspace employees are welcome to wear a company shirt and/or nametags.

And of course all volunteers are welcome to enjoy the event! After completing volunteer duties, Foundation staff will arrange for you to enjoy food and beverage and make sure you have a set before the portion in the theatre begins.
