

# KEYHOLDER20

## BE A SCHOOL HERO

In celebration of both Ziauddin and Malala's tireless work on behalf of girls across the world, the Women's Fund seeks to award up to **five Raise Your Voice Awards to local middle and/or high school students who are standing up in support of positive changes in their communities.**

The Malala Fund recently published a guide to taking action for girls' education—Raise Your Voice with Malala. Using this guide, we are challenging young advocates in Central Texas to become part of the next generation of leaders in this community and beyond.

**Help us celebrate these change-makers by underwriting the cost of their peers to attend Keyholder on January 30 at the Long Center and hear directly from Ziauddin Yousafzai!**

We believe that by engaging our community, everyone can contribute to the prosperity of our entire world.

## SPONSORSHIP BENEFITS
