

**FundATX**  
AUSTIN COMMUNITY FOUNDATION

In spite of the pandemic, our impact investment fund, FundATX, continued to deploy resources in support of affordability in Central Texas. FundATX makes social impact investments, which generate financial returns allowing philanthropic capital to be recycled back into the community to do even more good.

1. Individual fund investment returns may vary depending on the timing of fund transactions.  
 2. Past performance is not necessarily an indication of how the Investment Portfolio will perform in the future.  
 3. Investments carry the risk of loss of principal.
