Why sponsor Austin in Common?

Your gift not only supports Austin Community Foundation's mission of closing the opportunity gap in Central Texas, but will have a ripple effect as we prioritize hiring local women- and BIPOC-owned vendors. Even if you don't use all your allocated tickets, your sponsorship helps offset the attendance of nonprofit partners and community leaders. Austin in Common is the only place you can gather with hundreds of people who share a desire to shape Central Texas's bright future, together.

SINGLE TICKET: \$150
PAIR OF TICKETS: \$250

Fair market value for one ticket is \$50
